Italian excellence serving high jewelry

Founded in Rome in 1884, Bvlgari has established itself as one of the most iconic names in international fine jewelry. Renowned for its bold aesthetic, architectural designs, and a style deeply rooted in Roman heritage, the House has forged an unmistakable identity. Its distinctive use of geometric lines, generous volumes, and vibrant color combinations has shaped a vision of modern luxury that is instantly recognizable. Over the decades, Bvlgari has consistently demonstrated its ability to unite artisanal tradition with creative innovation, giving rise to collections that have become true icons. Among them, Serpenti holds a singular place. A definitive signature of the House, this collection embodies the very essence of Bvlgari: powerful, sensual, and profoundly anchored in timeless symbolism.
